RULE 59.

ALL APPLICATIONS for Private Bills, properly the subject of legislation by the Legislative Assembly of British Columbia, within the purview of the "British North America Act, 1867," whether for the erection of a Bridge, the making of a Railway, Tramway, Turnpike Road,

or Telegraph or Telephone Line; the construction or improvement of a Harbour, Canal, Lock, Dam, Slide, or other like work; the granting of a right of Ferry; the incorporation of any particular trade or calling, or of any Joint Stock Company; or otherwise for granting to any individual or individuals any exclusive or peculiar rights or privileges whatever, or for doing any matter or thing which in its operation would affect the rights or property of other parties, or relate to any particular class of the community, or for making any amendment of a like nature to any former Act,—shall require a Notice, clearly and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such notice to be published as follows:—

In the BRITISH COLUMBIA GAZETTE, and in one newspaper published in the District affected, or if there be no newspaper published therein, then in a newspaper in the next nearest District in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition, and copies of such notice shall be sent by the parties inserting such notice to the Clerk of the House, to be filed amongst the records of the Committee on Standing Orders.

57. No Petition for any Private Bill shall be received by the House after the first ten days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any Report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no Motion for the suspension or modification of this Rule shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committee charged with consideration of Private Bills, who shall report thereon to the House. And if this Rule shall be suspended or modified as aforesaid the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the Petition has been received after the time hereinbefore limited, shall in either case pay double the fees required as herein mentioned, unless the House shall order to the contrary. Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight days before the opening of the Session, a printed copy of such Bill, a copy of the Petition to be presented to the House, *together with the notices published.* At the time of depositing the Bill, the applicant shall also pay to the Clerk of the House a sum of three hundred dollars. If a copy of the Bill, Petition and notices shall not have been so deposited in the hands of the Clerk of the House at least eight days before the opening of the Session, and if the Petition has not been presented within the first ten days of the Session, the amount to be paid to the Clerk shall be six hundred dollars. If the Bill shall not pass second reading one-half of the fees paid shall be returned.

60. Before any Petition, praying for leave to bring in a Private Bill for the erection of a Toll Bridge, is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by Rule 59, also at the same time and in the same manner, give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

61. All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the clauses of the General Acts relating to the details to be provided for by such Bills:—Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the General Act is proposed to be departed from. Bills which are

not framed in accordance with this Rule shall be re-cast by the promoters and re-printed at their expense before any Committee passes upon the clauses.

65. All Private Bills shall be prepared by the parties applying for the same, and printed in Small Pica type, twenty-six ems by fifty ems, on good paper, in imperial octavo form, each page when folded measuring $10\frac{3}{4}$ inches by $7\frac{1}{2}$ inches. There shall be a marginal number every fifth line of each page; the numbering of the lines is not to run on through the Bill, but the lines of each page are to be numbered separately. Two hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.

By new Rule 65A, passed on the 2nd April, 1901, (see Journals, 1901, page 58), a model form of Railway Bill is adopted.

By 65B all Bills to incorporate or amend Bills incorporating railway companies are to be drawn in accordance with the Model Bill.

The provisions contained in any Bill which are not in accord with the Model Bill shall be inserted between brackets.

Any exceptional provisions that it may be proposed to insert in any such Bill shall be clearly specified in the notice of application for the same.

Under a new rule, see Journals 7th March, 1908, in the case of Bills to Incorporate Companies, in addition to the fee of \$300 mentioned in rule 57, fees calculated on the capital of the company are payable at the same time. Further particulars can be had on application to the undersigned.

MUNICIPAL BY-LAWS.

STREET IMPROVEMENT DEBENTURE BY-LAW, 1909.

A By-Law to enable the Council of the City of New Westminster to raise by loan the sum of One Hundred and Four Thousand (\$104,000) Dollars for Street Improvements.

WHEREAS, certain sums of money have this year been expended out of the general revenue of the City for the construction, improvement and repair of certain streets and sidewalks, and it is expedient that certain additional sums be spent in like manner, amounting in all (with sums already so spent) to the sum of one hundred and four thousand (\$104,000) dollars:

And whereas it appears that if the said sum of one hundred and four thousand (\$104,000) dollars be appropriated from the general revenue of the City for the current year the rate of taxation will be excessive, and it is expedient that such excessive taxation should be avoided, and the said sum should be raised on the credit of the Corporation, and that debentures should be issued for that amount:

And whereas for the payment of interest on the debentures proposed to be issued under this by-law, and for creating a sinking fund for the payment of the said debentures when due, it will be necessary to raise by special rates, in addition to all other rates, each year during the currency of the said debentures, the sum of six thousand one hundred and twenty-two (\$6,122.00) dollars:

And whereas, in order to raise the yearly sum of six thousand one hundred and twenty-two (\$6,122.00) dollars, an equal special rate on the dollar will be required to be levied on the whole ratable property of the City of New Westminster:

And whereas the whole ratable property of the said City, according to the last revised assessment roll thereof, is five millions, three hundred and ninety one thousand, four hundred and forty-five (\$5,391,445) dollars:

And whereas the total amount of the existing debenture debt of the said City is one million, two hundred and nineteen thousand, one hundred (\$1,219,100) dollars, irrespective of the sum of two hundred and ninety-four thousand (\$294,000) dollars proposed to be raised under the "Hospital Debenture By-Law, 1909," the "Water-works Debenture By-Law, 1909," the "Incinerator Debenture By-Law, 1909," the "City Gaol Debenture By-Law, 1909," and the "Advertising Debenture By-Law, 1909," of which none of the principal or interest is in arrears:

Now, therefore, the Municipal Council of the Corporation of the City of New Westminster enacts as follows:—

1. It shall be lawful for the Mayor of the said City to raise by way of loan from any person or persons, body or bodies corporate, who may be willing to advance the same on the credit of the debentures hereinafter mentioned, any sum or sums of money not exceeding in the whole the sum of one hundred and four thousand (\$104,000) dollars and to cause the same to be paid into the treasury of the said City for the purposes mentioned herein.

2. It shall be lawful for the Mayor to cause any number of debentures to be made, not exceeding in the whole the sum of one hundred and four thousand (\$104,000) dollars, for such sums of money as may be required, not less than one hundred dollars each, or an equivalent expressed in pounds sterling of the United Kingdom of Great Britain and Ireland, at a value of 4.866 to the pound sterling, and all such debentures shall be sealed with the seal of the Corporation, signed by the Mayor, and countersigned by the Treasurer thereof, or by any such person or persons as may be thereunto lawfully authorised.

3. The said debentures shall be payable on the first day of July, 1959, at such place or places as the Council of the said Corporation may from time to time appoint, with the approval of the holders thereof, and shall have attached to them coupons for the payment of interest at the rate of five per centum per annum on the amount thereof, which interest shall be payable half-yearly on the first

day of January and the first day of July in each and every year, and the said coupons shall be signed by the said Mayor.

4. A special rate on the dollar shall be levied and raised in each year, in addition to all other rates, on all ratable property of the City, sufficient to pay the interest on the debentures and to create a sinking fund for the payment of the principal thereof when due, subject to any Act or enactment respecting the same.

5. Subject as aforesaid, there shall be raised annually by special rate as aforesaid, during the currency of the said debentures the sum of five thousand two hundred (\$5,200.00) dollars for the payment of interest thereon, and the sum of nine hundred and twenty-two (\$922.00) dollars to provide for the repayment of the principal.

6. The proceeds of the sale of the said debentures shall be applied as follows, and not otherwise. Towards paying the cost of the passing of this by-law and the issue and sale of the debentures therein referred to; recouping the treasury of the City such sums as have been this year expended in street works, or may be so expended until the proceeds of the sale of the debentures have become available; the making, improving and repairing of such streets and sidewalks in the City as may be deemed expedient by the Council, but no sidewalk or street shall be made or repaired out of the moneys borrowed under this by-law unless the same shall have been first approved by a resolution of the Council.

7. This by-law shall take effect on the 25th day of August, 1909, and may be cited as the "Street Improvement Debenture By-Law, 1909."

8. This By-Law before the final passing thereof shall receive the assent of the electors of the said City in the manner required by law.

INCINERATOR DEBENTURE BY-LAW, 1909.

A By-Law to enable the Council of the City of New Westminster to raise by loan the sum of Twenty Thousand (\$20,000) Dollars for the purpose of building an Incinerator.

WHEREAS it is expedient for the improvement of sanitary conditions in the City that a public incinerator should be built for the destruction of refuse, at the cost of twenty thousand (\$20,000) dollars:

And whereas it appears that if the said sum of twenty thousand (\$20,000) dollars be appropriated from the general revenue of the City for the current year the rate of taxation will be excessive, and it is expedient that such excessive taxation should be avoided, and the said sum should be raised on the credit of the Corporation, and that debentures should be issued for that amount:

And whereas, for the payment of interest on the debentures proposed to be issued under this by-law, and for creating a sinking fund for the payment of the said debentures when due, it will be necessary

to raise by special rates, in addition to all other rates, each year during the currency of the said debentures, the sum of eleven hundred and seventy-seven and thirty one-hundredths (\$1,177.30) dollars:

And whereas in order to raise the said yearly sum of eleven hundred and seventy-seven and thirty one-hundredths (\$1,177.30) dollars, an equal special rate on the dollar will be required to be levied on the whole ratable property of the City of New Westminster:

And whereas the whole ratable property of the said City, according to the last revised assessment roll thereof, is five millions three hundred and ninety-one thousand four hundred and forty-five (\$5,391,445.00) dollars:

And whereas the total amount of the existing debenture debt of the City is one million two hundred and nineteen thousand one hundred (\$1,219,100.00) dollars, irrespective of the sum of three hundred and seventy-eight thousand (\$378,000.00) dollars proposed to be raised under the "Hospital Debenture By-Law, 1909," the "Water-works Debenture By-Law, 1909," the "Advertising Debenture By-Law, 1909," and the "City Gaol Debenture By-Law, 1909," of which none of the principal or interest is in arrears:

Now, therefore, the Municipal Council of the Corporation of the City of New Westminster enacts as follows:—

1. It shall be lawful for the Mayor of the said City to raise by way of loan from any person or persons, body or bodies corporate, who may be willing to advance the same on the credit of the debentures hereinafter mentioned, any sum or sums of money not exceeding in the whole the sum of twenty thousand (\$20,000.00) dollars, and to cause the same to be paid into the treasury of the said City for the purposes mentioned herein:

2. It shall be lawful for the Mayor to cause any number of debentures to be made not exceeding in the whole the sum of twenty thousand (\$20,000.00) dollars for such sums of money as may be required, not less than \$100.00 each, or an equivalent expressed in pounds sterling of the United Kingdom of Great Britain and Ireland at a value of 4.866 to the pound sterling, and all such debentures shall be sealed with the seal of the Corporation, signed by the Mayor and countersigned by the Treasurer thereof, or by such other person or persons as may be thereunto lawfully authorised.

3. The said debentures shall be payable on the first day of July, 1959, at such place or places as the Council of the said Corporation may from time to time appoint with the approval of the owners thereof, and shall have attached to them coupons for the payment of interest at the rate of five per centum per annum on the amount thereof, which interest shall be payable half-yearly on the first day of January and the first day of July in each and every year, and the said coupons shall be signed by the said Mayor.

4. A special rate on the dollar shall be levied and raised in each year, in addition to all other rates, on all ratable property in the City, sufficient to pay the interest on the debentures and to create a sinking fund for the payment of the principal thereof when due, subject to any Act or enactment respecting the same.

5. Subject as aforesaid, there shall be raised annually by special rate as aforesaid, during the currency of the said debentures, the sum of one thousand (\$1,000.00) dollars for the payment of interest thereon, and the sum of one hundred and seventy-seven and thirty one-hundredths (\$177.30) dollars to provide for the repayment of the principal.

6. The proceeds of the sale of the said debentures shall be applied as follows, and not otherwise: Towards paying the cost of the passing of this by-law and the issue and sale of debentures therein referred to.

7. This by-law shall take effect on the 25th day of August, 1909, and may be cited as the "Incinerator Debenture By-Law, 1909."

A By-law to enable the Council of the City of New Westminster to raise by loan the sum of Six Thousand (\$6,000.00) Dollars for the purpose of building a City Gaol and Police Court Room.

WHEREAS it is expedient to erect a building to be used as the City Gaol and Police Court Room, and to use that portion of the Civic Building now used for those purposes, for other purposes, and to expend in the erection of the said building the sum of six thousand (\$6,000.00) dollars, and that the said sum should be raised on the credit of the Corporation:

And whereas it appears that if the said sum of six thousand dollars be appropriated from the general revenue of the city for the current year the rate of taxation will be excessive, and it is expedient that such excessive taxation should be avoided, and the said sum should be raised on the credit of the Corporation, and that debentures should be issued for that amount:

And whereas for the payment of interest on debentures proposed to be issued under this By-law and for creating a sinking fund for the payment of the said debentures, when due, it will be necessary to raise by special rates, in addition to all other rates, each year during the currency of the said debentures, the sum of three hundred and fifty-three dollars and nineteen cents (\$353.19):

And whereas in order to raise the said yearly sum of three hundred and fifty-three dollars and nineteen cents (\$353.19) an equal special rate on the dollar will be required to be levied on the whole rateable property of the City of New Westminster:

And whereas the whole rateable property of the said city, according to the last revised assessment roll thereof is five millions three hundred and ninety-one thousand four hundred and forty-five (\$5,391,445.00) dollars:

And whereas the total amount of the existing debenture debt of the said city is one million, two hundred and nineteen thousand one hundred (\$1,219,100.00) dollars irrespective of the sum of three hundred and ninety-two thousand (\$392,000) dollars proposed to be raised under the "Hospital Debenture By-law, 1909," the "Waterworks Debenture By-law, 1909," the "Street Improvement Debenture By-law, 1909," the "Incinerator Debenture By-law, 1909," and the "Advertising Debenture By-law, 1909," of which none of the principal or interest is in arrears:

Now therefore the Municipal Council of the Corporation of the City of New Westminster enacts as follows:—

3. The said debentures shall be payable on the first day of July, 1959, at such place or places as the Council of the said Corporation may from

time to time appoint, with the approval of the holders thereof, and shall have attached to them coupons for the payment of interest at the rate of five per centum per annum on the amount thereof, which interest shall be payable half-yearly on the first day of January and the first day of July in each and every year, and the said coupons shall be signed by the said Mayor:

4. 5. Subject as aforesaid, there shall be raised annually by special rates as aforesaid, during the currency of the said debentures the sum of three hundred (\$300.00) dollars for the payment of interest thereon, and the sum of fifty-three dollars and nineteen cents (\$53.19) to provide for the repayment of the principal:
